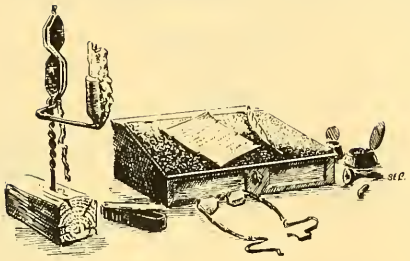
AUDITOR'S REPORT

This is to certify that we have examined the books and accounts of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, Trustees of the Trust Funds, Trustees of the Brown Fund, Trustees of the Library, Trustees of the Wilcomb-Townsend Fund, and Trustees of the Great Hill Cemetery and find them to be correct and properly vouched.

We have also examined the Federal Revenue Sharing books of the Selectmen and find them to be correct and properly vouched. A complete Audit Report is on file in the Selectmen's office.

WALTER W. KRAUSHAAR
CHARLES H. FREDERICK
JOHN J. STARVISH, JR.
Auditors

SELECTMEN'S REPORT



The Selectmen would like to take this opportunity to express our gratitude for the help and consideration given us this past year. The year 1975 has been a year of near normal growth for the Town of Chester; and managing a budget for the Town of approximately $750,000.00 is a responsibility we as your Selectmen welcome any suggestions on and feel each taxpayer should have an interest in and fully understand the needs and priorities of our Town.

The Selectmen, Budget Committee, and individual department heads have put considerable time into the proposed budgets as you read them, and we would hope the voters will now support them as written realizing that the 1975 budget required $200,000.00 of loans in "anticipation of taxes", and also realizing the economy has played an obvious role in the increased number of unpaid taxes needed to repay these loans.

The painting of the Town clock during the restoration of the church was one of the more unusual projects undertaken these past months; and also, improvements are regularly being made on the Tax Map increasing its accuracy.

Our secretary, Mrs. Claire Yencha, has been a great asset to the Selectmen as well as the Town, and we take this time to thank her for her service; also, Walt St. Clair, Barbara Dolloff and Sharon Carl for their excellent contributions of art and photography in our Town Report this Bicentennial year.

As we begin 1976 in the Town of Chester, we must be thankful to God and fellow countrymen that America is celebrating her 200th year of freedom. Chester has been privileged to be included in this country's past history, and we look forward to this continued privilege.

Respectfully submitted,

TIMOTHY J. FEINAUER
RAYMOND D. REMILLARD
DANIEL B. COLE
Selectmen

TOTAL	$1,344,301.00

BUDGET ADVISORY COMMITTEE

The Budget Committee met with the Selectmen on January 7th and 8th to review the Town Budget for the ensuing year of 1976. The members and Board of Selectmen discussed in detail each appropriation requested.

We feel that the Town Budget as presented in the Town Warrant is in the best interest of the Town of Chester. The Budget Committee recommends that the Town raise the amount of money for painting and repair of the Stevens Memorial Hall.

Due to the population increase and the possible need of new Town Buildings, the Budget Committee also recommends that the voters of Chester seriously consider the purchasing of the property located on Route 121 which now borders French's Field - property presently owned by the Town.

Respectfully submitted,

RICHARD WIGGIN, Chairman
MARVIN COLBURN
PAUL TRAVER
HARRY SMITH
STANTON LEIGHTON

DERRY VISITING NURSE ASSOC. REPORT

During our past fiscal year, the Derry Visiting Nurse Assoc. initiated three (3) new programs which have already proven to be of assistance to Chester residents. These include a major new service in the Homemaker/Home Health program which has provided 427-1/4 hours of service in 183 visits to Chester residents this past year. The agency currently seeks county and federal funding for this program rather than town funding, but it is a program that is available through this agency to Chester townspeople.

The second new program is the initiation of immunization clinics to be held every 2 months in Derry, but which are intended to provide free immunizations to Chester children as well.

The third service is a blood pressure screening clinic for residents age 60 and over. This has been provided in conjunction with The Ladies Social Circle and 123 visits were made by Chester residents to this clinic during the past year.

In addition to these three new services, 191 home visits were made to provide skilled nursing care or physical therapy under doctor's orders and to offer public health assistance with referrals, state clinic follow-up or to new mothers and infants.

The town of Chester is represented on our Board of Directors at this time by: Richardson Benton, vice-president - 887-3951; Lorna Lane - 887-4701; Peggy Lee - 887-4822.

Respectfully submitted,

PETER BRONSTEIN
President/Board of Directors

JOANNE MILLSAPS, R. N.
Nurse/Administrator

VILLAGE CEMETERY TRUSTEES REPORT

The Village Cemetery Trustees participated early in the celebration of the Bicentennial year; on 24th May, the graves of 28 soldiers of the American Revolution were decorated with "13 star Betsy Ross" flags. Mrs. Roland Nichols, Mrs. Herbert Ray, George Richardson, Mrs. Hazel N. Stowe and Laurie and Michael Wood, ages 9 and 6 respectively, all residents of Chester, were present to place the flags on the graves of their ancestors.

Evening work by the Trustees and Superintendent continued on the project to upright and repair fallen monuments, and a total of 27 were restored to proper position, of which 7 first had to be pieced together.

Girl Scout Troop No. 779 of Chester, participating in our program to beautify the old section of the Village Cemetery, planted a forsythia bush. Town organizations and individuals are invited to join the program by donating and planting shrubs, bushes and perennial flowers, and are asked to contact the Trustees for further details.

Plans for 1976 include holding a number of "monument scrubbing parties" in which we hope, with some volunteer assistance, to scrub the dirt, grime and moss of countless decades from many monuments.

During 1975, there was 1 interment in the Village Cemetery.

BERT WARREN, Chairman
STANTON F. LEIGHTON
RICHARDSON D. BENTON, Clerk

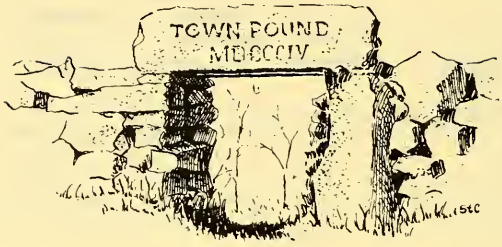
POLICE DEPARTMENT REPORT



In 1975, the number of incidents the Police Department encountered increased over 1974 figures with more crimes resolved. The type of crime is in a changing trend with more thefts, assaults, burglaries and the like, than in 1974. The rise in these types of crimes can partially be attributed to the state of the economy, with more people unemployed and those who would rather steal than work.

The court appearances were divided almost evenly between traffic violations and criminal charges, with all cases receiving convictions with fines and/or sentences being given.

In December 1975, a third man was added to the department to allow more coverage for calls. With this addition, 24 hour coverage is almost assured; however, State Police and the Sheriff's department are available if we cannot be reached. The Derry police still maintain 24 hour coverage on our phone, 887-3229, so a response is also guaranteed on the telephone.

Complaints are followed up to the best of our abilities being a part-time department, but when assistance is needed, we secure it from bordering towns or state or county agencies.

This year, we are requesting a $3,000 increase in our budget. This increase is partially needed due to the addition of another officer to the PD. Some office equipment is needed and can be partially purchased with state funding. The increase is also needed to take some of the burden off the officers' wallet, namely an increase to $2.75 per hour and to .18¢ per mile.

We feel this increase is justified if the department is to continue serving and protecting you, the citizens of Chester.

Respectfully submitted,

WAYNE GATES
Sergeant

LIBRARY REPORTS

The Library continues to be appreciated, and many a home fireside is made brighter by the reading of books furnished cheerfully to all who apply for them. It has been said that the place where literature is appreciated is in the country home. The long winter evening quickly passes when one is absorbed in a good book; and, best of all, solid strength is being laid up by the assimilation of what is excellent in literature.

The list of people giving the Library new and used books for the year 1975 is too long to publish. Each and every one of you know how grateful the Librarian was for each gift. We will all miss Mrs. Edith Baldwin; she gave books for all reading levels. More people than ever before have given money to the Library for the purchase of a book or books as a memorial to a friend or loved one. A very special thank you is meant for them.

Library statistics are interesting to look over and compare with past years and with other libraries. Our circulation for 1974 was 4,813, for the year 1975, it was 6,735; that is over 561 books per month. We have 342 new books this year: 255 for adults and 87 for children. We offer 15 magazines, nine of which come as donations. Consumer Report was added this year, and so was Cricket; it is for children.

106 library cards were issued to new patrons this year. Come to the Library - it's a good place to meet a new friend. The Library hours are: Tuesday - 10 a.m. to 12 noon; Thursday - 3:30 p.m. to 5:30 p.m., 6:30 to 8:30 p.m., Thursday evening; Saturday - 10 a.m. to 2 p.m.

The American Library Association says that about seven per cent of a given population uses its library; once again, Chester proves that to be an unreliable statement. Thirty-five per cent of the residents enjoy their library. This has proved to be true for as far back as we have library records.

The Summer Reading programs for young people create a lot of interest. The Story Hour entertains about 45 children at each session. For this, we offer our thanks to all who help. The Reading Club for school children is enjoyed by many. The ones who finish the requirements receive a prize, and to the donors, we say Thanks.

The state bookmobile comes every three months and leaves about 400 books in all reading levels. The Librarian thanks all who help on that day and I really mean it; carrying in that many is a JOB!

I wish to thank Terry Ann Votaw for her fine service to the Library and for her help in making my job as Librarian begin smoothly. Mr. Frederick Root deserves our thanks for keeping the Library all spic and span.

This report will not be complere until I thank the Trustees of the Library. They give much thought, time and patience to a job they take very seriously. The Board is made up of Mrs. Katherine Houston, Mrs. May Jean Colburn and Mr. Edward J. Murphy.

Respectfully submitted,

ARLENE DELOREY
Librarian

Librarian

HIGHWAY DEPARTMENT REPORT

(Summary of highway expenditures for 1975)

WINTER MONEY

Monies used in the plowing, sanding and salting of roads. The last two weeks of 1975 have been very costly for the town of Chester, due to the number of snow and rain storms in such a short time causing hazardous road conditions. There was the need of more man hours and two additional orders for salt over the 1974 salt needs.

SUMMER MONEY

The following is a summary of the summer expenditures:

Bridges - Repairs have been made on the Exeter River bridge on Fremont Rd. This bridge is still in need of more repairs. The widening of the bridge by Chet Towles has been completed. The guard rail on this bridge will be replaced in 1976. The Cowens Rd. bridge has been replaced, by replacing the rotten wood structure with culverts.

Road repairs done - 2/10's of a mile on the Candia Rd. has been rebuilt by Clark's. Also a mixing job done on 1 mile of the road. The Candia Rd. entrance to Lane Rd. has been asphalted. Also 1,500 ft. of the Lane Rd. sealed, 4/10's of a mile rebuilt and 3/10's of a mile gravel. 1 and 2/10's miles of Fremont Rd. has been sealed. Also, the culverts on Fremont and Towle Rd. have been extended.

A very hazardous drop off on the E. Derry Rd., by Wayne Gates, has been filled in. Also, the banks have been cut back and sloped. The Raybeck Rd. had a mixing job completed. All gravel roads have been graded and raked out several times. Mowing of the brush has been completed on almost all of the roads.

I would like to thank the residents of Chester for their support of the highway department, and the individuals who help by working for the highway department.

Respectfully submitted,

CLARENCE WARE
Road Agent

CHESTER FIRE DEPT

HEALTH OFFICER'S REPORT

The following were the activities of the Health Officer for the past year, 1975.

RSA 170:4 - Inspection of Foster Homes and Others. Three homes were inspected for the care of Foster Children. One Kindergarten and Day Care for twenty children was inspected. Two new Kindergartens were inspected and approved. All necessary forms were filled out and filed as directed.

RSA 147:2 - The Health Officer was called to the Chester Elementary School in March. A sewage problem had developed; a temporary solution was approved. In mid-summer, a partial new sewage system was designed by Dickson, Holden and Associates, and approved by the Water Supply and Pollution Control Commission. A permit was issued July 23, 1975 for construction. Concord staff will inspect with local agent.

On August 13, 1975, a request was received from Supervisory Union #14 for inspection of the above sewage system. The installation was by Marcou Construction Co., Inc. The final inspection was by the Health Officer and approved for operation September 5, 1975.

A meeting was held with the Board of Health, Sept. 26, 1975.

According to New Hampshire Water Supply and Pollution Control Commission, all sanitary sewage disposal systems on new construction reported to Health Officer were inspected and approved for operation. Many requests for technical advice on planned construction of sanitary sewage disposal systems. After inspection of sites and soil survey maps, some were disapproved. Eight replacements for defective systems were inspected and approved. (Some had sewage seeping through the ground surface.) One owner was in violation and corrective measures are being taken.

NOTICE TO ALL PROPERTY OWNERS OF CHESTER

RSA 147:2 and 149E - Inspection of Septic Tank Systems for Sewage Disposal. The Health Officer was appointed an agent of the New Hampshire Water Supply and Pollution Control Commission for the inspection of all Sanitary Sewage Disposal Systems constructed as per requirements of the Commission in the Town of Chester, New Hampshire.

A $25.00 fee for each original application for a first inspection; then a $5.00 fee for each visit in advance thereafter.

Respectfully submitted,

CLIFTON D. HOLMAN
Health Officer
Agent for N.H.W.S. & P.C.C.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 6:30 P.M.

To the Inhabitants of the Town of Chester in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Stevens Memorial Hall in said Chester on Tuesday, the Second day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects: With Articles 3-38 to be taken up at 8:00 P.M.

1. To choose all necessary Town Officers for the year ensuing.

2. (Amendment #1 on the ballot) To see if the Town will vote to replace the existing fees of Section VIII-8.8 of the Zoning Ordinance for building permits and subdivisions with the following schedule:

Building Permits	
New Homes	25.00
All Other: Minor matters	
Value added greater than $5,000	25.00
Subdivision Approvals	
Two lot subdivision	50.00
Each additional lot over 2 and up to 6	50.00 each
Each additional lot over 5	100.00 each

3. (Amendment #2 on the ballot) To see if the Town will vote to amend the Zoning Ordinance as follows (with reference to present numbered paragraphs thereof:

3.1.2 - amend to read, "Each lot must front upon an approved street as accepted or approved at a Town Meeting, the official list for which is maintained by the Town Clerk."

3.4 - delete entirely.

ADD: 3.1.7 and 3.2.7 - "Contiguous lots owned by the same person or by one beneficial entity or group, even though created or acquired by separate deeds and/or at separate times shall be considered as a single lot under this Zoning Ordinance."

11.3 - Cancel the words, "for a different use".

11.4 - delete entirely.

11.6 - Add the following "In the event that construction was commenced before a permit was obtained, the Planning Board may if all else is in good order issue a permit for a fee six times the regular fee, in lieu of the preceeding fifty dollar ($50.00) per day fine."

4. (Amendment #3 on the ballot) To see if the Town will vote to amend the Subdivision Regulations as follows (with reference to present numbered paragraphs thereof):

II-B - cancel "It shall not include the division of land where each resulting parcel fronts on a public street previously accepted or taken by the Town."

ADD: IV-B-8 and IV-C-8 and IV-D-8 "Contiguous lots owned by the same person or by one beneficial entity or group, even though created or acquired by separate deeds and/or at separate times, shall be considered as a single lot under these Subdivision Regulations."

IV-A-3 - add, "For example, a temporary turnaround may be required."

5. (Amendment #4 on the ballot) To see if the Town will vote to authorize the Selectmen to create a Drafting Committee of five townspeople and to have a life of one year for the purpose of revising and upgrading Town ordinances and regulations, and to appropriate the sum of $400.00 to defray the expenses thereof.

6. (Amendment #5 on the ballot) To see if the Town will vote to authorize the appointment of a Building Inspector as per RSA 156:1, to be filled by a person of the Selectmen's choosing, to serve without compensation.

7. (Amendment #6 on the ballot) To see if the Town will vote to adopt the National Building Code by reference, as per RSA 156-A.

8. (Amendment #7 on the ballot) To see if the Town will vote to authorize the Selectmen to create a Building Code Committee of five town persons and to have a life of one year for the purpose of drawing up a town building code (including electrical, plumbing, sewerage, heating, and construction components) to be presented to the voters at the 1977 Town meeting, and to appropriate the sum of $250 to defray the expenses thereof.

9. (Amendment #8 on the ballot) To see if the Town will vote to establish a Chester Historic District as provided under RSA 31:89 A thru L to become a part of the Town Zoning Ordinance designated as Section XIV.

10. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and pass any vote relating thereto.

11. To raise such sums of money as may be necessary to defray Town Charges (T.C.) for the year ensuing and make appropriation of same ($23,935.00) (See T.C. Budget figures).

12. To see if the Town will vote to raise and appropriate a sum of money for the maintenance and improvement of Highways and pass any vote relating thereto($12,000.00 for summer and $8,000.00 for winter - Total $20,000.00) (Supplemented by State Tax Money $11,857.62)

13. To see if the Town will vote to raise and appropriate a sum of money to defray the General Expenses of the Highway Department ($1,500.00)

14. To see if the Town will vote to raise and appropriate a sum of money for Class V Highways ($696.96), State Share ($4,646.38)

15. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of Stevens Memorial Hall and other town buildings ($6,500.00)

16. To see if the Town will raise and appropriate a sum of money for the painting and restoration of the exterior of Stevens Memorial Hall (8,000.00). Project to be let out for bid 4/1/76.

17. To see if the Town will vote to raise and appropriate a sum of money for the care of the Town Poor; also its share of O.A.A. (Town Poor $2,000.00) (O.A.A. $1,000.00); Total ($3,000.00)

18. To see if the Town will vote to raise and appropriate a sum of money for membership for one year in the Derry Visiting Nurse Association; ($1,200.00)

19. To see if the Town will vote to raise and appropriate a sum of ($1,000.00) to aid in the support of the Greater Salem Family Counseling Centre.

20. To see if the Town will vote to appropriate from Revenue Sharing Funds and transfer to the Capitol Reserve Fund the sum of ($3,000.00) to be added to the sum of ($2,000.00) appropriated as per Article #40 of the 1975 Town Warrant for F. M. Comm. System in accordance with (R. S. A. 35:1) From entitlement periods (July 1, 1975/June 30, 1976); Remaining funds to be used to defray Expenses of Fire Department.

21. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Fire Department ($8,500.00) (Include Forest Fires and Fire Trails ($150.00 plus $50.00)

22. To see if the Town will authorize the Selectmen and Fire Department to sell by highest bid the excess 1952 Reo cab and chassis.

23. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Police Department ($8,000.00)

24. To see if the Town will vote to raise and appropriate a sum of money to defray expenses of the Disposal Area; ($3,000.00)

25. To see if the Town will raise and appropriate a sum of money to cover the cost of insuring Town Buildings, Town Equipment, and Town Employees ($5,000.00)

26. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Derry Fire Department Ambulance Service ($8,812.00) and the Chester Health Officer ($150.00); Total ($8,962.00)

27. To see if the Selectmen will allow a discount of 2% on all partial payments of 1976 property taxes paid by April 1st or 1% within 10 days after receipt of tax bill.

28. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

29. To see if the Town will vote to raise and appropriate a sum of ($1,000.00) for appraisal of new buildings.

30. To see if the Town will vote to approve absentee ballots for Town elections.

31. To see if the Town will accept the newly-finished portion of Carkin Street (1000')

32. To see if the Town will raise and appropriate a sum of money for the purchase of the Delorey Property ($18,500.00).

33. To see if the Town will raise and appropriate ($200.00) for Historic Commission Administration Expenses.

34. To authorize the Selectmen to sell property acquired by Tax Collectors Deed at Public Auction.

35. To see if the Town will authorize the Selectmen to convey to Public Service Company of New Hampshire on such terms as they deem to be in the best interest of the Town, an easement within a strip of land owned by the Town and located adjacent to and southerly of an existing right of way of the Company.

36. To see if the Town will vote to raise and appropriate a sum of ($375.00) to electrify the Town clock in the church steeple; ($200.00 material, $165.00 elecrrical wiring, $10.00 for purchase of electricity), (Total $375.00).

37. To see if the Town will vote to raise and appropriate a sum of money to defray the expenses of the Dog Officer ($600.00).

38. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 10th day of February, in the year of our Lord nineteen hundred and seventy six.

REPORT OF THE PLANNING BOARD

The Planning Board met 14 times during the year with only one member missing more than three meetings. The Health Officer, Clifton Holman, and the Selectmen's representative, Raymond Remillard, regularly attended meetings.

Regular meetings are on the third Wednesday of the month at 7:30 p.m. in the Town Hall. The Board would like to urge that matters requiring Board action be informally submitted to a Board member by mail or personal contact prior to a meeting so that as much advance work as possible can be done by the Board. Applicants have been waiting until regular meeting nights to make submissions so that much of the Board's time has been spent just on processing applications and, in some cases, applications have had to be held over a month pending on-site inspection. It is the policy of the Board to have at least two of its members make on-site inspections of all subdivisions and new home constructions, and to have the signatures of two members on all permit and subdivision approvals.

Your Board has looked into such matters as the creating of town zoning and road expansion maps, a building code, upgrading zoning and subdivision regulations, and improved road construction code, but concluded that any one of these projects may be more work than the Board can handle consistent with the time its members are willing to spend on the work of the Board. The creation of separate committees to work on these matters might be a more appropriate way of going about these tasks.

There is a problem of policing compliance with the Town's ordinances and such permits as are issued, and to this end, the Board has suggested that the Town may wish to consider creating the position of Building Inspector.

For the year, the Board approved 9 subdivisions (a total of 23 lots), 11 permits for new homes, and 27 permits for miscellaneous constructions. Interaction with the Board of Adjustment was improved considerably. In the coming year, the Board hopes to improve and make more formal its issuance procedures and record keeping.

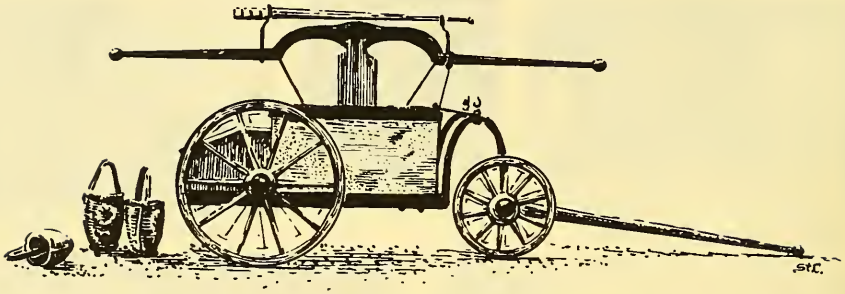
VOLUNTEER FIRE DEPARTMENT REPORT



The Department is real pleased to have the 1842 Hunnerman Hand Tub in fine operating condition. Members of the Department rebuilt and restored this unit for the Town's 250th celebration. Since 1972, we have attended many parades and celebrations where this tub has been the only one of its style around. The tub has pumped streams of water at demonstrations far beyond the expectations of bystanders.

* * * * * * * * * * * *

There were a total of 34 calls to the Chester Fire Department during the year 1975. These calls were listed as follows:

Chimney	3	Furnace	1
Mutual Aid	3	Clothing in bedroom	1
Brush or grass	8	House	1
Smoke Checks	3	Mattress	1
Car accidents or fires	9	Town Dump	1
Trailer fire	1	Kitchen fire	1
		Wire down	1

During the past year, the members of the department have taken advantage of the training made available at the State Training School. This allows the men to have actual fire fighting experience under controlled conditions. Due to the changes in fire fighting tactics brought about by the manufacture of synthetics and modern materials found in the home, schools of this nature are very important. The school holds classes in arson and fire prevention; fire prevention being one fire fighting tool we all have available.

The Department is purchasing 3" hose for relaying water from water holes to fire scenes. We presently have 1000' with plans to add another 500' this year. This hose will allow us to pump 500 GPM in areas where water holes are maintained. This year, we plan to purchase a 2000 gallon Fold A tank. This would be used at fire scenes when water had to be trucked in by tanker trucks. A pumper at the scene would draft water from the portable tank and pump it on to the fire.

This fall, the Department members purchased a 1968 Ford Cab and Chassis to replace the 1952 Reo. This truck was paid for by funds raised through the efforts of the firemen and donations from interested townspeople. The 6 x 6 Civil Defense army truck now has a tank mounted in the body. This truck will be used for forest fire work.

The Fire Department members are now making plans to rebuild and restore to original condition the 1931 Model A Pumper Fire Truck previously used as the Forest Fire Truck. This truck has special meaning in that it was Chester's first motorized fire truck and was built by Abott and Downing Company of Concord, N. H. The

department plans to raise separate funding for this purpose and any donations would be gratefully appreciated.

The Fire Department purchased emergency phone stickers and will be around on a house-to-house canvass to deliver them. These will be the telephone numbers of your fire department, police department, and Derry Area ambulance which will be self-adhering to your phone.

The Chester Fire Department is a volunteer department with a red phone that has a 24-hour coverage. The number to call to report a fire is - 3250. When you make connection, state your NAME, LOCATION AND NATURE of the fire (woods, kitchen stove, chimney, T.V., cellar, etc.). If you are a new resident, it would be beneficial to state the former owner's name along with your own so that it will aid firemen in responding to the exact property. All other questions relating to burning permits, incinerator permits, etc., should be directed to: Raymond I. Dolloff, Jr. (887-3809), and Jack Towle (887-4155).

Once again, the open house held during fire prevention week was a successful venture and many townspeople expressed an interest in the department. The Bob Child Memorial Essay and Poster material was on display and the children who participated in this contest are to be congratulated for the show of originality and creativity in their entries. Movies on fire safety were shown and demonstrations of various types were exercised through the evening by the firemen. Displayed also was information concerning smoke detector units and the fire department encourages families to look into this type of safeguard. THE EARLIEST DETECTION IS THE BEST PROTECTION.

The annual Firemen's Field Day held in August was a successful effort. During the summer, the fire department is involved in fire musters with companies from surrounding towns. These musters have a two-way purpose: while providing fun, entertainment and competition, these events give the firemen opportunities to work with the equipment and provide a practice for many aspects of fire fighting.

The Department members have worked with the Derry Area Ambulance Service at many different types of accidents and sickness during the past year. We feel fortunate in being a part of this well-equipped and well-staffed ambulance service.

Many times, people do not think of an ambulance service as something they will need but, when the emergency arises, it is sure good to know that we can call upon them to respond. The department supports proper budgeting for this ESSENTIAL service made available to the residents of Chester.

The firemen plan to do land clearing and site evaluation on the Nichols lot the Town acquired last year, with future plans for a new station.

Thank you to the members of the Fire Department who continue to work toward maintaining the goals within the Department, and many thanks to the residents of Chester for their contributions and continual support given to the Department.

Respectfully submitted,

RAYMOND I. DOLLOFF, JR.
Fire Chief

REPORT OF THE FOREST FIRE WARDEN & DIST. CHIEF

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles, and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

ZONING BOARD OF ADJUSTMENT REPORT

The Zoning Board of Adjustment has, for the past year, been striving to eliminate confusion and unnecessary delays as well as trying to create a better understanding of the Zoning By-Laws of Chester.

We feel we have accomplished this by calling for a joint meeting between the Selectmen, Planning and Zoning Boards. It was at this meeting that the Zoning Board's suggestion of "both Boards" holding their monthly meetings on the same night was adopted. In this way, a person approaching the wrong board with an application can be directed to the proper board that same night, thereby eliminating several weeks delay. It has proved very successful.

The Board of Adjustment received 13 requests for Variances during the past year. Nine were approved and the remaining four were deemed unnecessary and were returned or withdrawn.

Respectfully,

CONSTANCE T. WIGGIN, Chairman
LUTHER GRIMES
FREDERICK KERNS
CLIFFORD MILLSAPS
JOHN ZITO

CONSERVATION COMMISSION REPORT

The year 1975 brought the following activities for the Conservation Commission. James Towle, Sr. and Jack Towle were retained by the Commission to survey the Bailey lot and establish boundary markers. A map was drawn up by Jack Towle and several copies made. It will be possible to add details to these maps whenever desired.

Members of the Commission went over the lot with Boy Scout leaders and it is hoped this coming year that trails will be established and other land use planned.

Following our meeting last year, relating to Historic Zoning, the Conservation Commission recommended names to the Selectmen and the present commission was established. We have also worked with the Historic District Commission on the Town Common project.

We continue our membership in the New Hampshire Association of Conservation Commissions. Current literature is made available to us by this membership. Dues are based on town population and our assessment is $35.00.

Respectfully submitted,

GLADYS NICOLL, Chairman
WARREN NOYES, Treasurer
BEVERLY CHILD, Secretary
WALTER ST. CLAIR
JAMES TEBO
JACK TOWLE

DOG OFFICER'S REPORT

The number of calls the Dog Officer answered in 1975 increased almost 75% over 1974 figures. The 178 calls ranged from stray dogs to dogs hit by vehicles to dogs killing livestock. The problem of dogs killing livestock has increased dramatically this year as opposed to previous years.

Twenty-one complaints of dogs biting people were received with 18 being resolved by restraining orders, the remaining three are court pending.

January 16, 1976, your Dog Officer resigned. This action was largely due to the fact that the part-time job of Dog Officer was taking more time than I could devote to do the job correctly and, with plans of remaining active in the Police Department, I therefore decided to resign.

The new Dog Officer is facing one major problem; how to answer all the calls on a $600.00 budget, with some requiring four to five hours "on the clock".

Respectfully submitted,

WAYNE GATES

FROM YOUR REPRESENTATIVE

The report for 1975 reflects a busy year. Of 5 bills sponsored during the legislative session, 4 were enacted into law; 3 of the 4 have a direct beneficial bearing on all towns. One law forbids the printing in annual town reports of the listing of trust funds for perpetual care of cemetery plots (information is readily available from the Trustees of Trust Funds). This will save 7 pages on the Chester annual report, at about $18.00 per page!

Another law standardizes and simplifies the procedure for posting town and school district warrants and notices for public hearings on proposed changes to zoning ordinances. A 3rd law clarifies the duties of building inspectors, and the 4th law will result in significant economies in the printing of annual county reports, in that the listing of paupers, feeble-minded persons and prisoners in the county jail (28 pages in the Rockingham County annual report, at about $18 per page) will no longer be printed.

Guidance and comments were sought from the residents of Chester, and they were kept closely informed on matters affecting their well-being and wallets through bulletins in public places, newspaper articles, and public appearance speeches. My job as "errand boy" continued, with countless missions to state agencies to secure information, to set up guided tours of the State House for our school children, and to carry samples of well water to the state laboratories for testing!

During the legislative session, all town and school officials were furnished with copies of pending legislation, so that they could offer comments.

Plans for future legislation include a bill which would return a portion of the fines collected in the district courts to the towns from whence the cases originated. At present, Chester receives nothing from the Derry District court. Also under consideration is legislation to afford some measure of control, safety and protection when children are carried in the rear of open-type vehicles, such as pick-up or flat-bed trucks.

It pleases me to report that the Governor appointed your Representative to be a member of the "Governor's Commission to Study Racing in New Hampshire", also to be the Chairman of the 1975 and 1976 Veteran's Day Committee, but it gave me even more pleasure to have been selected to serve as a judge in the "Miss Deerfield" contest at the Deerfield Fair.

RICHARDSON D. BENTON
Representative

SPIRIT OF '76 BICENTENNIAL COMMITTEE REPORT

The Spirit of '76 Bicentennial Committee meetings were held on the second Tuesday of each month during 1975. A list of a few of our activities and plans would probably help to paint a picture for you.

A variety show in April 1975; Ham & Bean Supper in May 1975; a Strawberry Festival, Cabaret Dance in June 1975; the musical comedy re-run "How Boots Befooled the King"; Dixieland Jazz Band Dance in September 1975.

There were too many obstacles to allow us to clear away and erect the mill building last fall. We will try to work this into our celebration plans for 1976. The design has been submitted and we are now waiting for proofs on our souvenir plates. Delivery date has been delayed because of an apparent production overload. Our town was ably represented by teenage boys in two Bunker Hill Day Parades. One was in Manchester, N. H. and the other in Charlestown, Massachusetts.

The Spirit of '76 Bicentennial Committee and the Forsaith-Drowne Post 108 American Legion jointly sponsored the November 11, 1975 Veteran's Day Parade. This was the kick-off of Chester's Bicentennial Celebration. The parade was a success. It was attended by Governor Meldrim Thomson, who presented the town with their Bicentennial flag. The flag is now flying from the Lions Club flagpole in the center of town.

Our U. S. Bicentennial Coin is now available. It is patterned after the 250th Anniversary Coin, with an appropriate U. S. Bicentennial design on the reverse side. The silver is in a limited quantity, and we have an adequate supply of bronze.

Our Bicentennial Celebration schedule is not completely formulated at this time. We will try to include many of the following activities in our program for 1976.

A coin auction; Old Fashioned Field Day; Colonial Dance (start planning your costumes now); fireworks; Living Arts Festival; Blue Grass Music Concert; Youth Activities; Old Fashioned Mill Raising; work on the athletic field; Fireman's Muster; and a parade.

The Bicentennial Committee is looking for interested citizens of the Town who are needed to help on various committees during the '76 Celebration.

JAMES TOWLE, JR., Vice-chairman
HELEN TEBO, Financial Chairman
LINDA CHILD, Secretary
Executive Committee

HISTORIC DISTRICT COMMISSION REPORT

During the Fall of 1974, a group of townspeople became interested in trying to preserve the historic beauty and heritage of Chester. They found that the State Legislature had considered the same idea on behalf of all the towns of the State and had ruled that "the preservation of structures and places of historic and architectural value" was in the public interest. The supporting statute further provides for the creation of Historic Districts as areas to be preserved and for the formation of local Historic District Commissions to insure that preservation.

An article relating to the formation of a Historic District Commission was inserted in the 1975 Town Warrant and approved without dissent. Accordingly, the Selectmen designated Joanne Bent, Daniel Cole (Selectman), Richard Noyes, Harry Smith (Planning Board), James Tebo, Paul Traver and Constance T. Wiggin, to constitute the Commission. As of January 10, 1976, the Commission has met on 18 occasions for purposes of getting organized, establishing a sense of direction, working with the Conservation Commission and Spirit of '76 Committee to improve the appearance of the Center and Commons of the Town, and considering the creation of a Historic District where the landscape and appearance of structures, many dating from Colonial times, could be preserved.

Efforts devoted to the recommendation of a proposed Historic District within the Town include becoming an associate member of the National Trust for Historic Preservation, the application for Federal funds to pay for a landscape Architects Master Plan for improving the appearance of the Commons and Main Street, and contacts with the State Highway Department, State Planning office, several of the Towns that have Historic Districts, and two hearings conducted by the Town Planning Board.

These efforts will terminate when the voters ballot on the question: "Are you in favor of establishing a Chester Historic District as provided under RSA 31:89 a thru l to become a part of Town Zoning Ordinance designated as Section XIV?"

The intent of this ordinance is to establish an Historic District in Chester as provided for under the provisions of RSA 31:89 a thru l. A Commission will be created which shall be called "The Chester Historic District Commission", to consist of five (5) voting members appointed by the Selectmen, one member being a member of the Board of Selectmen, two members being from within the Historic District and two from elsewhere in the Town, all as provided under RSA 31:89 c and d. In addition, the preceding Historic Chairman shall serve in an ex-officio capacity to lend continuity. Also, if and when a local Historical Society is organized, the President of such organization shall serve in an advisory capacity and further reflect the desires of the citizenry.

Said Commission shall be the delegated authority for applications in reference to properties within the District, and shall have all the powers and duties established by RSA 31:89 a thru k inclusive for the purpose of preserving a District in the Town of Chester of architectural history, of conserving property values in such District, of strengthening local economy and for other purposes therein enumerated.

The boundaries of the Chester Historic District shall be as shown on the "Official Chester Historic District Map" dated January 12, 1976, to be later specified by a written description, said map to become a part of the Chester Zoning Map upon passage of this Ordinance and to be displayed and available to the public at the Town Offices.

Respectfully submitted,

PAUL TRAVER, Chairman
CONSTANCE T. WIGGIN, Secretary
JOANNE BENT, Research
RICHARD NOYES, Operations
DANIEL COLE, Selectman
JAMES TEBO, Treasurer

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Chester, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Steven's Memorial Hall in said district on the second day of March, 1976, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a School Board Member for the ensuing three years.

4. To choose a School Board Member for the ensuing two years.

5. To choose a Treasurer for the ensuing year.

6. To choose three Auditors for the ensuing year.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days before the date of the meeting.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Chester, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Steven's Memorial Hall in said district on the sixth day of March 1976, at eight o'clock in the afternoon to act upon the following subjects:

1. To hear reports of agents, auditors, and committees or officers chosen and pass any vote relating thereto.

2. To see if the District will vote to raise and appropriate the sum of $38,182, for the purpose of financing Pinkerton Academy 1975-76 tuition, and for new sewer construction at the Chester Elementary School, said amount to be a deficit appropriation.

3. Shall the provisions for absentee ballots for the election of school district officers be adopted by this school district.

4. To see if the District will authorize the school board to make application for, to receive and spend in the name of the district such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from Federal, State, Local or Private Agencies.

5. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

6. To transact any other business that may legally come before this meeting.

NOTE: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days before the date of the meeting.

BUDGET ADVISORY COMMITTEE

SCHOOL DISTRICT BUDGET

The Budget Advisory Committee met with the School Board on January 15th and January 23rd, 1976. Again this year, a large increase in tuition at Pinkerton Academy, coupled with a 7% increase in salaries of all personnel, alone make up over half of the total increase in the budget.

With the increase of over $65,000 in the regular school district budget, plus an unavoidable deficit of over $38,000, brings this year's increase to over $100,000 to be raised by the town for the school district. Although we covered in detail every item in the budget, we were unable to pinpoint any one item that could be reduced.

We urge everybody in Chester to attend the School District meeting on March 6th, (Saturday) to discuss and consider each item in a realistic way.

RICHARD W. WIGGIN, Chairman
MARVIN W. COLBURN
HARRY SMITH
PAUL TRAVER
STANTON LEIGHTON

BOARD CHAIRMAN'S REPORT

The school year 1975-76 was one that had a rough start. The budget was cut $14,000 in which the school board had to make changes in their operating budget, hoping that we would not have any problems arise. Then came the problem, the leach fields started overflowing on which the State Board of Health came down and insisted that we start planning to have the field replaced during the summer.

As a school board we have done our very best to give the children of Chester a good education. I personally feel that we as parents and townspeople should strive to give the best possible education to these children. Education is something that is not here today and gone tomorrow.

Now we are faced with rising enrollment, especially after the Christmas vacation, which we now have over 290 pupils enrolled in grades 1 through 8 with the possibility of a large 1st grade next year.

I have served on the Pinkerton Academy Steering Committee in which we have discussed at length the new 15 year contract. I am sorry to say after many hours and meetings we do not see eye to eye on some items.

JOHN R. PEPPER, SR.
Chairman
Chester School Board

REPRT OF THE SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1974 to June 30, 1975

SUMMARY

Cash on Hand July 1, 1974 (Treasurer's bank balance)		$ 14,352.71

SUPERINTENDENT'S REPORT

Your Superintendent is pleased to submit, in its entirety, another excellent annual report from Principal Arthur G. Scott, Jr.

PRINCIPAL'S REPORT

The annual report of the Principal is submitted as follows:

The school year 1975-76 had an opening day enrollment of 274 pupils in the eight grades. The names of the teachers, their assignment and numbers of pupils assigned each classroom in September, 1975, can be found in an "Enrollment in Grade School" chart in another section of this school report.

Additional professional staff is employed by the school to provide corrective or supportive educational and health services for the pupils as follows: Full-time - Remedial Reading, Miss Jean Robinson; Part-time - Teacher Aide, Mrs. Beverly Ells; Library Services, Mrs. Sally St. Clair; Part-time - Health Services/Part-time - Guidance Counseling, Miss Barbara Haskell, R. N.; and Band Instructor, Mrs. Rebecca Johnston.

Federal Aid to Education, Title I, supports the part-time services for Resource Education under the direction of Miss Susan Shostak. Title I also supports our part-time Speech Therapy Program. Mrs. Susan Niederman is the speech teacher. It is important to note here that Title I is now in its second year of a three-year funding agreement with the Federal Government Office of Education.

Additional essential supportive services are very capably provided for as follows: School Lunch, Mrs. Clara Dolloff, Supervisor, and Mrs. Marie Brander, Assistant; Custodial Services, Mr. Ralph Potter, Custodian, and at various times, Mr. Jeffery Giles and Mr. Richard Wood, part-time assistant custodians. Mrs. Genevieve Rowell has very capably continued to serve her responsibilities as the School Secretary.

Staff members who are new to the Chester School this year are: Miss Susan Taylor; Mrs. Beverly Ells; Miss Susan Shostak; Mrs. Susan Niederman and Mrs. Rebecca Johnston.

One additional new service for the pupils, their parents, and teachers has been added this year; that of Guidance Counselor. Miss Barbara Haskell now provides both our Health Services as school nurse and the counseling service. Miss Haskell is fully qualified and certified in both areas and is one of two persons so certified and practicing in the State of New Hampshire.

In addition to the staff noted above, the Timberlane Transportation Company provides pupil transportation to and from the Chester School. Mrs. Ruthlee Root and Mrs. Rita Marcotte are the school bus drivers employed by Timberlane to operate buses assigned to transport Chester School pupils. Bus service is contracted by the School District.

Additional custodial help, at no charge to the School District, was secured to work at the school during the summer of 1975 from the Rockingham County Action Program. Mr. Scott St. Clair and Mr. Keith St. Laurent were employed by the Program to help with such work as painting, gardening, scrubbing woodwork, moving furniture, washing windows, etc. etc. Assistance from this source is always dependent on Federal Funds being made available to the Action Program, and is not a certainty.

During this past year the staff reviewed, studied and made recommendations in the curricula area of spelling with the intention of providing a new emphasis on and a more relevant text program in this crucial area of communication skills. Upon recommendation, a new spelling program, "Basic Goals in Spelling", (Webster Publishing Co.) was purchased and implementation begun in September, 1975. The program and new emphasis has gotten off to a good start. There is a new awareness on the part of pupils that letter combinations do make a great difference when one uses the written word to convey meaning.

In the curricula area the staff has continued the implementation and momentum gained in the areas of mathematics, grammar and "Career Education" from last year. Additionally, new offerings have been introduced in the upper grades which develop basic understandings of the great American "free enterprise system" of economics and also Consumer Education as it is related to our economic system. Basic elementary economic concepts, good consumer practices and decision making stressing economic feasibility are emphasized in these courses. Both of the new programs have been well received by the pupils. The programs seem to have awakened a new interest, appreciation for and understanding of the "economic world" in which the pupils live - - additionally, a number of pupils have frankly expressed a new appreciation of problems which face their parents.

Currently (December, 1975) two classrooms, Mrs. Roux's - grade 4 and Mrs. Kerr's - grade 3/4, are working on an ambitious project to expand the educational experiences of their pupils. Tentative plans have been made to take the pupils on a five-day Outdoor Education/Camping Experience at "Nature's Classroom, Inc.", Wilmont, New Hampshire. The School Board, at its November, 1975 meeting, gave tentative approval to the venture and set certain conditions which must be met before final approval for the trip would be granted. In December, a meeting of all involved parents was held at the school at which time the proposal and plans for the trip were explained in detail. All costs are to be met by the individuals who take part in the trip. C.B.S. has made a generous donation toward partial defrayment of transportation costs. The response of the involved pupils and parents has been very enthusiastic and it would now appear that the undertaking will come to fulfillment before school closes in June, 1976.

The Rinehart Functional Handwriting System has been continued this past year. The program has continued to show good results and is worthy of continuation in the years to come.

The school's library/audio-visual effort has been continued at about the same rate and level as last year. Currently, (December, 1975) the library has about 3,077 volumes of print materials available for pupil use. During the past year, the library inventory has been increased by approximately 342 volumes. The audio-visual inventory has been increased by approximately 28 units of "software" during the past year.

Pupil use of the library continues at a high level. During the school year 1974-75, approximately 10,450 volumes were circulated through the card catalog. It is hoped that pupil use of the available library/audio-visual materials can be increased in terms of quality and quantity of use by increasing the hours of the librarian to coincide with the hours school is in session. This added time would be most helpful to the pupils and teachers and would certainly increase and make more effective the use made of the available materials.

During the past year, the school library cooperated with Mrs. Gladys Nicoll, instructor of White Pine College, in her course, "Children's Literature". Mrs. Nicoll and several college students used the facilities of the school library and interviewed pupils about their library selections, their impressions about what they had read, reasons for their new selections, etc. Both our pupils and the college students agreed to the value of this association and exchange of ideas.

Although there is a danger in attaching great importance to numbers when one considers health service, it is of interest to note that during the school year 1974-75, the School Nurse had approximately 4,300 recorded contacts with pupils for health reasons of one kind or another. In addition to direct pupil contacts, the school nurse is frequently in conference with staff members and parents in the course of her work.

The School Lunch Program continued again this year to grow in excellence and increased participation. Currently the daily lunch count is approximately 190 type "A" lunches plus approximately 60 "milk only" purchases. In order to meet the continuing demands for and consistent increases in school lunch participation, it is evident that the kitchen area must undergo some modernization so that it can do the job it is called on to do. Kitchen functions such as those for refrigerated/frozen food storage; food serving lines and clean up need to be improved/enlarged at an early date.

The Supervisory Union No. 14 Staff Development Committee completed its initial obligations and submitted its staff re-certification plan to the various communities of Union 14 and to the State Department of Ed-

ucation. The submitted plan was approved and the staff began its participation in the Plan beginning in September, 1975. The Committee continues to meet and works on updating and revisions of the initial re-certification proposals. Currently, Chester is represented on S.D.C. by Mrs. Ann Bruhmuller, Chester citizen; Miss Ann Shuster, teacher, and Mrs. Marjorie Gould, School Board Member.

C.B.S. - Citizens for Better Schools - continues its active interest in and support of the pupils and young people of the town. During the past year, C.B.S. has, under its exclusive sponsorship, continued the once-a-week bowling trip for the children of grades five through eight. Additionally, C.B.S. has sponsored the "Get Acquainted Evening", "Breakfast with Santa" and Christmas Fair, assisted with the 1975 graduation and was the exclusive sponsor of the 1975 Graduation Dance. A generous contribution was made toward the purchase of a new refrigerator for use by the Nurse. This replaced a very old refrigerator which became inoperative. Recently, C.B.S. has made a donation of monies which the various classes will use to help defray field trip costs. The pupils and staff are most grateful for these donations.

C.B.S. meets several times during the school year. C.B.S. sponsors several activities and fund-raising events to finance its projects -- your support of C.B.S. and attendance at their meetings is encouraged. The school staff and pupils wish to express their appreciation to Mrs. Virginia Locke, past President; Mrs. Mary Jean Colburn, President, and the C.B.S. membership for their efforts and interest in the children of the town.

During the year, the school building continued to receive due attention to its regular maintenance, repair and necessary replacements. Additionally, this year a major un-budgeted emergency replacement of the original leaching field was carried out. The original leach field proved inadequate by reason of several "blow outs" and large amounts of "seepage" allowing raw sewage to surface on the playground area. In order to keep school in session, a "band-aid" of sand fill was spread over the effected area and with this in place, health officials agreed to allow school to continue until a permanent solution to the problem could be provided during the summer recess. A new leach field was designed, contracted for and installed at the rear of the school properties. This new installation was completed during the early part of September, 1975.

Each year, the school cooperates with the Chester Fire Department in its sponsorship of fire safety education and the Bob Child Memorial Fund Contest. This year's winners of the Bob Child Memorial Fund Contest were: Essay Contest (grades 7 & 8) - 1st, Mary Towle; 2nd, Trudy Kimball; 3rd, Carol Bruhmuller -- Poster Contest - both picture and words - (grades 4, 5 & 6) 1st, Sean Kerns; 2nd, Stacy Patnaude; honorable mention, Timothy Rowell -- Picture Contest - words not necessary (grades 1, 2 & 3) - 1st, Kristin Stuart; 2nd, Dayna Bennett; honorable mention, Barbara Ells.

Every advantage is taken of available funds from Federal/State sources. During the year, monies from Federal Title Programs such as Title I, II, III and IV helped support the local school effort. However, Federal Funding is now undergoing rapid changes and there is considerable uncertainty about the future of these funds. In addition to the above noted Federal Programs, the largest reimbursements/funds received by the District are those for the School Lunch Program.

The Chester School educational programs and physical facilities continue to be restricted and restrictive as noted in the Principal's Report published in the School Report of 1974. The Principal's comments found on pages 127-128, paragraph three to the end of the report are reiterated and still stand as written.

Again it is a pleasure to submit this report to my fellow citizens of Chester. This past year, because of budget cuts voted at the Annual School District meeting, the school was put in the position of having to "stand still" in some areas and to actually curtail some services and activities for the pupils. On the other side of the coin, the new Guidance Counseling, which is part of the service offered the pupils, is proving its worth. It is a remaining hope that improvement and expansion of the offerings for the children of Chester will be a priority which the community will accept in the near future.

Respectfully submitted,

ARTHUR G. SCOTT, JR., Principal

In addition to the many items mentioned by Mr. Scott, we would like to add one other thing. Beginning July 1, 1976, Supervisory Union No. 14 (Chester, Epping, Newmarket and Sanborn Regional School Districts) will undergo reorganization. The Sanborn Regional School District (Kingston-Newton) will become Supervisory Union No. 17 and will therefore withdraw from Supervisory Union No. 14.

This change simply means that beginning July 1, 1976, Supervisory Union No. 14 will consist of four School Districts - Chester, Epping, Fremont and Newmarket. Because of this reduction, the present office staff, including administrators, will be reduced by approximately 40%. Along with the Supervisory Union changes will come an increased percentage of ownership for Chester - from 11.1% in 1975-76 to 19.6% in 1976-1977. This share, incidentally, is computed by a state formula, using as variables, equalized valuation and numbers of pupils.

Mr. Scott, Mr. Stickney and your Superintendent all wish to thank the members of the Chester School Board for their continued understanding and consideration - this helps to make a difficult job, in this day and age, more pleasant.

Respectfully submitted,

FRANCIS C. WILSON
Superintendent of Schools

SUPERVISORY UNION NO. 14

ADMINISTRATIVE SALARIES

1975 - 1976

	Share of Superintendent's Salary	Share of Asst. Supt's Salary	Share of Asst. Supt's Salary

	$20,000.00	$17,650.00	$17,650.00

THE GOOD OLD DAYS

Truly the lifestyle of a school teacher has changed radically in the last 50 or 60 years. For example, a 1915 teachers' magazine listed the following rules of conduct for teachers of that day:

1. You will not marry during the term of your contract.

2. You are not to keep company with men.

3. You must be home between the hours of 8 p.m. and 6 a.m. unless attending a school function.

4. You must not loiter downtown in ice cream stores.

5. You may not travel beyond the city limits unless you have the permission of the chairman of the board.

6. You may not smoke cigarettes.

7. You may not dress in bright colors.

8. You may under no circumstances dye your hair.

9. You must at least wear two petticoats.

10. Your dresses must not be any shorter than two inches above the ankle.

11. You may not ride in a carriage or automobile with any man unless he is your father or brother.

12. To keep the school room neat and clean, you must: sweep the floor at least once daily; scrub the floor at least once a week with hot, soapy water; clean the blackboards at least once a day; and start the fire at 7 a.m. so the room will be warm by 8 a.m.

ENROLLMENT IN SCHOOL

The following tabulation shows the enrollment in the Chester School as of September 3, 1975:

Grade	1	2	3	4	5	6	7	8	Total
No. of Pupils	40	30	36	28	29	31	48	33	275

2 in Manchester Association for Retarded Children - Moore School @ $1,400.00
4 in Easter Seal Rehabilitation Center @ $885.00 per pupil
2 in Mrs. Jacques Private School @ $1,200.00
1 in Salem Special Class @ $1,035.88
1 in Raymond Special Class @ $1,171.00
